

CONFIDENTIALITY AGREEMENT

Mediation Title: _____

All parties and Green Mediation agree that California Evidence Code Sections 1119 and 1120 apply to this mediation.

What this Agreement means is that, with some exceptions, anything said and anything written during this proceeding CANNOT be used in a Civil lawsuit unless both/all parties agree.

Criminal prosecutions are NOT covered by this Agreement. So if any party states they have committed a crime or that they plan to commit a crime, we may have to report this party to the proper authorities.
